**Obituary: GARTH GREEN**  
 It is with great sadness that we record the death of Garth Green, an MG TD owner who was a member of our Club for over 30 years and who was very heavily involved in the MG Car Club. Garth was a Civil Engineer with a particular expertise in bitumen and worked for Shell Oil for most of his working career. He had been attending our Seniors meeting on a Wednesday morning for the past few months with me. He leaves his wife Pam and daughters Debbie, Tessa and Suzie, as well as four grandchildren.
