The Crankhandle Club

Clubhouse: 9 Riebeeck St, Wynberg, Western Cape, South Africa

P.O. Box 53543, Kenilworth 7745

THE CRANKHANDLE CLUB was established in 1955 and its objects are to preserve, maintain and encourage the interest in, and ownership of, motor vehicles as defined by the South African Veteran and Vintage Association (SAVVA), and also to foster the preservation of records, literature and memorabilia pertaining to motor vehicles.

The Club possesses a Clubhouse situated at 9 Riebeeck Street, Wynberg and has a very extensive library to aid members in the restoration or rebuilding of their cars. This library is one of the finest in the Southern Hemisphere. The Clubhouse is open to members every Wednesday evening from 20h00. More formal meetings, as well as social functions, are held from time to time at the Clubhouse. On the last Sunday of every month a "Natter" is held from 10h00 to 12h30 at Timour Hall, Timour Hall Road, Plumstead unless otherwise advertised. Members bring their cars, sometimes in various stages of restoration, and natter with other members over a cup of tea.

Because the Club is associated to the South African Veteran and Vintage Association (SAVVA), members may participate in rallies and competitions, which are held under the auspices of SAVVA from time to time.

An Application for Membership form is attached. It is the responsibility of the applicant to have himself proposed and seconded by Club members of not less than one year's standing. If the applicant is not personally known to any Club member, it is recommended that he or she attends one of the end-of-month "Natters" or visits the Clubhouse on a Wednesday evening from 20h00 onwards, and makes the acquaintance of the Chairman or a Committee Member. Details about the Entrance Fee, categories and membership subscriptions are given on the next page.
