

# OILY RAG RUN - SUNDAY 21st OCTOBER 2018

## COMPETITOR ENTRY FORM

Entries close on 16th October 2018

**This year the run starts from Crossley & Webb and finishes at the Franschoek Motor Museum. Competitors should arrive from 08h00 for registration and refreshments. The first car will leave at 09h30.**

The Oily Rag Run exists to celebrate and acknowledge "The Survivors". A vehicle is original only once, and we welcome you entering your personal survivor.

This Run is restricted to unrestored vehicles manufactured before 1968, i.e. at least 50 years old. You know more about yours than we do, and we depend on you to respect the spirit of the Oily Rag Run. We are limiting car entries to 25, and are open to all motor cycles. We define 'unrestored' as never having had a body-off restoration, and in the case of monocoques, having never had a bare body restoration at any time. Vehicles will be subject to scrutiny before the start, and scored according to originality.
