

Dear All, Covid has gone – rules at least, so now we can rally with no rules as well!

The South Rally gets underway from Constantia Village on Sunday the 4<sup>th</sup> September, please submit your entries together with proof of payment as soon as possible.

This year's route remains in the Southern Suburbs with no lengthy journeys or the fuel for mountains, but rest assured the route has plenty to keep you busy whilst traveling an interesting route. The event will end at the Crankhandle clubhouse where Braai facilities will be awaiting you and live results!

The final check point on the route will be an OPEN control in front of the club house, more details in the final instructions. If you are not sure what an open control is, do your homework.

The rally will kick off at 10:30 AM, the route should take you no more than an hour. Schedules being available 45 minutes before your allotted start time.

Marshals and self-timed controls will be used for this event; GPS devices will not be employed.

The rally will be timed based on the use of a master clock; at your start time your clock should be set as to display 00:00:00 (Midnight)

=At each STC you will record the time displayed by your Rally clock.

A master clock will be at the start

What you will need on the day:

- A navigator
- Rally aids
- A clock to record your elapsed time in hrs:min:sec.
- Masking Tape for your instruments and rally number – YOU MUST BRING YOUR OWN
