

FOR SALE:

I have some **Auto Union parts circa 1950**, do any of your members have such cars and would be interested in buying them from me? John Morrison, Bellville. 065 389 4465

1956 Rover 90 - needs to go to a new owner as I have left the country and won't get round to enjoying this motor car myself. It is original and complete. Been in a garage since I bought it years ago. I drove it into the garage and removed the battery. Car is (still in the garage) in Hermanus (Western Cape). Will need a little work to start her up. Asking 45k.
